

SIXTH YEAR.

MAYSVILLE, KY., TUESDAY, JULY 20, 1897.

ONE CENT.

LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can toss over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

The Continued Calls

upon THE LEDGER for free notices have become so burdensome that we are forced to publish the following terms:

For Notices of Suppers,

excursions, fairs, or other public entertainments where a fee is charged, and for obituary notices, resolutions of respect, etc., THE LEDGER will charge FIVE CENTS A LINE, and hereafter this will be the invariable rule. This, however.

Does Not Include

notices of Lodge meetings or Church services, which must not exceed ten lines.

Avoidance of Disputes.

Misunderstandings are unpleasant. The rate for Business Local in THE LEDGER is 10 cents a line for the first insertion and 5 cents a line for subsequent insertions. A customer orders a five-line local inserted in the paper. "I'll tell you when to take it out," he says to the bookkeeper. But he forgets all about it. The notice runs for two months—32 times—the bill is \$16. When he finds it out there is a "kick" and a controversy, followed probably by an icy feeling. Now, to obviate this trouble, no "full length" notices will be accepted hereafter. Let us have a definite agreement at the outset and the termination will be pleasant all around.

All matter for publication must be handed in before 9 o'clock in the morning of each day.

If you have an item of news, please call up THE LEDGER, Telephone 33, and send it in.

We Must Make Room

In anticipation of a big fall trade, and realizing that goods pertaining to our lines will advance, (a great many have already,) we bought early and largely. We are already beginning to receive shipments. Moreover it will not be long before our great line of Men's Shoes will come in, so you see we must make room. Now, if you will look in our windows and see the line of Suits we are offering at \$10 you will assist us in making room. All of our Fancy Cheviot Suits, in Checks, Plaids, Stripes, etc., Suits that we sold at \$18, \$16.50 and \$15, go in this sale.

No house in the state ever did or ever will offer a line of Suits like these for the price,

:-: \$10.00!

It is the greatest sacrifice sale ever made, but as our patrons will be benefited, and it secures us room and money, we will only be too glad to have you take advantage of this sale. We have no room to quote prices on our more medium grades, but the entire stock will be sold at proportionate prices.

Please bear in mind this: No Suit will be sent out on approval. No Suit will be charged. Only

:-: CASH!

Will buy the goods during this sale. Money, however, will be cheerfully returned if goods don't suit upon home examination.

WEARY WHEELERS.

A Party of Cincinnati Wheelmen Over-taken by a Drenching Rain.

Tired, hungry, wet and mud-begrimed, a party of Cincinnati bicyclists pedaled into Ripley late Sunday evening.

After leaving Higginsport the party was overtaken by a drenching rain and was forced to shelter. Proceeding in the darkness and over a heavy road, C. B. Ryan took a header and sustained several bruises.

After a night's rest at Ripley the party proceeded to this city, thence home over the C. and O.

The personnel of the party was: C. B. Ryan, Assistant General Passenger Agent of the C. and O., and wife, and Messrs. Campbell Johnson, George Johnson, Thomas Sherlock, Robert Neff and C. M. Chilton.

RAZORS AND PISTOLS.

Good Starter for the Colored Campmeeting at Brookville.

A special from Brookville says the opening of the colored people's campmeeting at that place Sunday was the occasion of a desperate encounter in which razors and pistols were freely used.

Luke Shropshire, a special policeman, attempted to eject George Beckley, another darky, who was very disorderly, from the grounds, when he drew a razor and began cutting the policeman.

John Shropshire, a brother of the wounded man, attempted to interfere and received a severe cut across the face. After the cutting Beckley pulled a revolver, drove the crowd back, and made his escape.

The wounded man is in a precarious condition and is not expected to live. The campmeeting is to continue for two weeks.

MRS. SAMUEL MASTIN.

Death of This Estimable Lady Yesterday at Her Home Near Sardis.

Mrs. Samuel Mastin, who resides near Sardis, one of the county's noblest and most highly esteemed women, died yesterday morning at 8 o'clock.

She had been operated on Sunday morning by Dr. Ricketts of Cincinnati, from which she never rallied sufficiently to give her friends any encouragement that it had proven successful, and she gradually grew weaker until the end came.

Mrs. Mastin was the wife of Mr. Samuel Mastin, one of Mason county's most prosperous and highly esteemed citizens, and was the oldest child of the late Allen Pumpelly.

Her husband and three children—two daughters and one son—survive, as well as brothers and sisters, a brother and a sister living in this city, Mr. A. A. Pumpelly and Mrs. R. P. Thompson, wife of Officer Robert P. Thompson.

She was a devoted wife and a loving mother and sister, and her loss is irreplaceable to her husband, children, brothers and sisters.

Very simple troubles may develop serious results if not properly treated.

Ordinary failing eyesight receives our most careful attention, both as to glasses and frames.
